Level 2 Foundation Year Access to Higher Education (Full-Time)

The Level 2 Foundation Year Access to Higher Education course at NPTC Group of Colleges is designed to help students develop the skills, knowledge and confidence needed to progress to further study. This full-time programme prepares students for progression onto a Level 3 Access to Higher Education course and, in the future, a degree or equivalent higher education qualification. The course normally runs for 35 weeks and provides a supportive learning environment for students who wish to return to education or improve their academic skills.

Entry Requirements

Students are expected to have Literacy at Level 1 and Numeracy at Entry Level 3.

Career Prospects

Successful completion of this course will enable students to be recommended for a Level 3 Access to Higher Education course of their choice. This progression route can support future study towards a wide range of degree-level or equivalent higher education courses.
