RE: Transport information for Llandarcy students

Dear Student,

Welcome to NPTC Group, Llandarcy Academy of Sport and in particular to the School of Sport and Public Services. All of your lectures will be delivered at the Llandarcy Academy of Sport which has sector leading sports training facilities and is ranked the best in Wales! In order for you to access this campus you will need to catch the 'College Shuttle bus', supplied by First Cymru Buses Ltd; this leaves 'Banana Island' on the Main Road near the Neath College at 9:00 am every morning (Roman Way, by the speed cameras). The bus will then drop you off at Llandarcy for a 9.15/9:30 am start.

If your lectures start later, you will need to catch the X58 bus service from Victoria Gardens Neath; this bus service runs on an hourly basis.

When leaving Llandarcy, you will need to use your 'First Cymru bus pass' to catch the 158 service to return to Neath College**.**

It is therefore essential for you to buy your bus pass online prior to starting college (leaflets available during enrolment):

Bus cost information from First Cymru:

- *Term tickets will be £150 or £100 with My Travel Pass and as this year valid for travel on college days only*
- *Annual Passes will be £460 or £307 with My Travel Pass valid for travel every day during the academic year*
- *Flexi 5 tickets are £19 (£3.60 per day) or £13 with My Travel Pass (£2.60 per day)*

Yours sincerely,

Barry Roberts
Head of Sport and Public Services
