

# Air Conditioning- L3 Automotive Refrigerant Handling (EC307-2008 Regulation)

From July 2010, in order to legally work on Mobile Air Conditioning (MAC) systems, individuals must have achieved a refrigerant handling qualification meeting these EU F-Gas Regulations (Commission Regulation EC 842/2006 and the Annex to Commission Regulation EC 307/2008). Achievement of this unit allows MAC technicians to legally work on these systems in motor cars and car derived vans.
