

# AS Level / A Level Media Studies (Full-Time/Part-Time)

Also available as a Part-Time option – please Click “Have an Enquiry” for more information

The AS Level / A Level Media Studies is a full-time course located in the Sixth Form Academy (SFA). This course focuses on many things you already know and enjoy such as films, TV programmes, social media, music and advertisements.

We will teach you how to consider such products critically, thinking analytically about how they are created and consumed. Media Studies also involves practical work, where you learn the techniques involved for the production of your own media text. You might produce moving images such as an opening sequence to a film, television adverts, magazine articles and website advertising, using industry standard, recognised software (you will also have access to this outside of your college lessons). Learners go on to study specialisms and apprenticeships within the field which include graphic design, film making and journalism.

Applying for AS Levels or A Levels? Click ‘Apply Now’ on any ONE of the subjects you are interested in studying. Complete the online application form, where you will be asked to specify your other two choices. Then book an Interview appointment to meet the tutors and discuss your preferred choices.

## Entry Requirements

A minimum of six GCSEs at Grade C or above including English. GCSE in Media Studies is an advantage although it is not mandatory.

## Career Prospects

With access to two onsite editing suites, industry standard software, video, photography, lighting, sound equipment and a professional studio to develop your practical work, working as part of a production team as well as individually.

This course will prepare you for further studies in media, journalism, broadcasting and communication at higher education or employment within the broadcasting industries, you may even want to work for yourself and develop your own media company.
