

BSc (Hons) Applied Computing - Top-up Degree Level 6 (Full-Time)

This programme will suit students interested in computing, information systems, and e-commerce. The programme builds upon the HND in Computing or a relevant Level 5 qualification. Computers are fundamental to many industries and you will develop skills in many fields.

The Course is run in partnership with the University of Wales Trinity Saint David.

Entry Requirements

Successful completion of the HND Computing or a similar HND/Foundation Degree (FD) in a computer-related discipline.

Career Prospects

You may progress to a variety of postgraduate computer-related courses. Graduates have employment prospects in a wide range of ICT disciplines, for example: application development, software engineer, software developers, business systems analysis, database development and administration and information systems consultancy.

Course Modules

Modules may include:

- Usability Engineering
- Emerging Trends
- Data Warehousing and Data Mining
- Socket Programming and Concurrency
- Project Management and Research Methods
- Major Project.
