

Applied Computing - BSc (Hons) Top-up Degree (Full-Time)

This programme will suit students interested in computing, information systems, and e-commerce. The programme builds upon the HND in Computing or a relevant Level 5 qualification. Computers are fundamental to many industries and you will develop skills in many fields.

This course is run in partnership with the University of Wales Trinity Saint David.

UCAS Code: G500

Entry Requirements

Successful completion of the HND Computing and Systems Development or a similar HND/Foundation Degree (FD) in a computer-related discipline.

If you hold an HND or FD in another subject area, entry onto the course is determined by the modules you have achieved.

Career Prospects

You may progress to a variety of postgraduate computer-related courses. Graduates have employment prospects in a wide range of ICT disciplines, for example: application development, software engineer, software developers, business systems analysis, database development and administration and information systems consultancy and management.

Course Modules

- Advanced Web Development
- Geographical Information Systems
- Big Data
- Project Planning

Coleg Afan	01639 648200	Afan College
Coleg Bannau Brycheiniog	01686 614400	Brecon Beacons College
Coleg Castell-nedd	01639 648000	Neath College
Coleg Y Drenewydd	01686 614200	Newtown College

- Usability Engineering
- Major Project.

Assessment

The programme will include lectures, practical workshops and tutorial sessions.

You will have to complete written assignments as you progress through the programme. Two modules have an exam and a research project is required.

STUDY MODE

Full-Time

LOCATION

Neath College - 01639 648000

COURSE LENGTH

1 Year - Full-Time
