This programme is for students who want to learn how to use up-to-date information technology and contemporary management practices associated with managing people and projects. This is located in the Business Tourism Management (BTM) department.

This programme is for students who want to learn how to use up-to-date information technology and contemporary management practices associated with managing people and projects. This is located in the Business Tourism Management (BTM) department.

This course is run in partnership with Wrexham University.

**UCAS Code:** N122

## Entry Requirements

Entry criteria detail a typical offer but the College considers all applications on an individual basis which means that we could make offers based on qualifications, personal profile and experience. If you have any queries regarding your offer, please contact our Admissions Team. Typical offer: 3 A Levels at C Grade or DD/MMM profile from a BTEC Level 3 qualification and five GCSEs at Grade C or above, to include English and Maths (or equivalent qualifications).

## Career Prospects

You may progress to a postgraduate business-related programme. Graduates have employment prospects in a wide range of business and IT disciplines, for example: business management, consultancy, accountancy, consumer research, statistical analysis, marketing, website development and business systems analysis.
