

C&G 2394 Level 3 Award in the Initial Verification and Certification of Electrical Installations (Part-Time)

This course is aimed at electricians who wish to gain further knowledge and skills in the inspection, testing and certification of electrical installations and practising electricians who need refresher training. This City & Guilds qualification replaces an element which is currently part of the City & Guilds 2391 Inspection & Testing. This will prepare candidates for the initial inspection of new electrical installations.
