

City & Guilds 18th Edition: BS 7671:2018+A2:2022 Review Course (Part-Time)

The IET Wiring Regulations 18th Edition: BS 7671:2018+A2:2022 form the new standard to which all new electrical installations, additions and alterations are to comply.

This City & Guilds 18th Edition: BS 7671:2018+A2:2022 Review Course is essential for anyone who works or is involved with electrical installations, especially those who work within the domestic and commercial markets. The course is ideal for contract managers, designers, electrical engineers and installers, consultants, surveyors and other related construction trades. The course will ensure that you know all you need to know about the updates for Amendment 2, with respect to current standards, within the latest edition of the wiring regulations. This course is for electricians who have already achieved 18th Edition: BS 7671:2018. This course will give you an overview of the 2nd amendment to the IET Wiring Regulations 18th Edition: BS 7671:2018+A2:2022.
