

Foundation Degree in Science Agriculture (Full-Time)

This two-year foundation degree, delivered in partnership with Aberystwyth University, is an excellent choice for individuals looking to develop a career in agricultural management or retrain for work within the agriculture sector. Students who successfully complete the programme and meet the required standards have the opportunity to progress onto a BSc in Agriculture.

UCAS Code: D402

Entry Requirements

UCAS Tariff 96 - 72

A Levels CCC-DDD

GCSE requirements (minimum grade C/4):

English or Welsh, Mathematics or a Science subject

BTEC National Diploma:

MMP-MMM

Career Prospects

Graduates of the Foundation Degree in Agriculture progress into a wide range of technical and managerial roles within farm enterprises and the wider agricultural industry. The course equips you with the knowledge and skills to implement best practices informed by the latest research, alongside effective husbandry techniques. This enables you to confidently address the challenges of both livestock and crop management within an increasingly complex and evolving physical and financial landscape.

Course Modules

Year 1
