

HNC Electrical & Electronic Engineering (Part Time)

This is a two year part time course design for students who have completed a level three engineering qualification or are mature students currently working in an engineering environment. The BTEC Higher National qualifications in Engineering are designed to address an increasing need for high quality professional and technical education pathways. All unit topic areas will be assessed by a number of centre set assignments in which students can achieve Pass, Merit or Distinction grades.

Course fees are currently £1200.00 per year for a two year part time course. This includes examination/certification fees.

Entry Requirements

5 GCSEs at grade A*-C including Math's and English, Level 3 Qualification or Relevant Experience

Career Prospects

Progression Opportunities - BSc Industrial Engineering Design (Degree Apprenticeship)

University to complete HND/Degree

Full time employment

Course Modules

Year 1

Engineering Design

Engineering Maths

Engineering Science

Electrical/Electronic Principles

Year 2

Digital Principles

Electronic Circuits & Devices

Electrical Systems & Fault Finding

Managing a Professional Project
