

Level 3 Advanced Esports (Full-Time)

This two-year course aims to provide students with a career pathway into Esports as a games designer, developer, video producer, digital content producer, technician or streamer or into other related Digital Technology areas such as networking, digital marketing, events management, coaching, or developing your own business. The qualification include a breadth of transferable skills that enable learners to experience different areas of esports to aid their progression to employment, either directly or via further study. This qualification is endorsed by the British Esports Association as being suitable for learners who want to work in the industry.

Entry Requirements

5 GCSEs at grade C or above which must include Mathematics and English.

A Level 2 Diploma in ICT at Merit or Distinction, and GCSE Grade C or above in Mathematics and English, plus a successful interview.

Career Prospects

The qualification is aimed at learners who want to progress to employment in the esports industry, possibly via an apprenticeship, or who may aspire to enter higher education.

The qualification is endorsed by the British Esports Association as being suitable for learners who want to work in the industry.

- Esports player
- Team coach
- Events organiser
