

# UAL Level 2 Diploma in Creative Media Production & Technology (Full-Time)

The UAL Level 2 Diploma in Creative Media Production & Technology is a Full-time Further Education course designed for students wishing to gain experience and skills in a wide range of media industry fields.

If you are committed to further study or a career in media production and Creative Arts, then this is the course for you. This is located in the Creative, Visual and Performance (CVP) department.

The syllabus offers a wide variety of units ranging from pre-production, production and post-production techniques in TV, video, advertising, photography and digital media. Creativity and imagination is key, whilst good analytical skills are important in realising your productive ideas.

## Entry Requirements

2 GCSEs A\*-C or an appropriate Level 1 qualification

## Career Prospects

This qualification will help learners to enter higher level courses, e.g. Higher National Diploma and degree courses, and to prepare them for employment in the field of media.

## Additional Costs

There will be additional course-related costs.
