

BRAND NEW COURSE FOR 2018! Upskill with a Fire Door Qualification

The new installation of fire-resisting timber doors qualification is the first of its kind in the UK!

Developed with the British Woodworking Federation, the course is aimed at tradespersons with an existing site carpentry and joinery qualification. It will provide training and assessment on the fitting of single and double fire doors and frames/linings to the standards of current legislation. It can be added to your CSCS card and you can promote yourself as a competent fire door installer.

Cover:

- The fit of fire door frames & linings.
- The fit of fire seals on door & frames.
- Fire door ironmongery and associated fittings.
- Associated fire regulation related to the fitting of glass and the effectiveness of fire doors perform to the required standards.
- Managing Fire Doors onsite.

Location: Afan College
Length: 2-day course, held throughout the year

CWRS NEWYDD SBON AR GYFER 2018!

Uwchsgilio gyda Chymhwyster Drysau Tân

**Y cymhwyster newydd mewn
Gosod Drysau Tân Coed yw'r
cyntaf o'r fath yn y DU!**

Wedi'i ddatblygu mewn cydweithrediad â'r British Woodworking Federation, mae'r cwrs yn targedu crefftwr gyda chymwyster yn barod ym maes gwaith coed a saer. Bydd yn cynnig hyfforddiant ac asesiad wrth osod drysau tân sengl a dwbl a fframiau/leininau yn unol â safonau'r ddeddfwriaeth gyfredol. Gellir ei ychwanegu at eich cerdyn CSCS a gallwch wneud cais i roi'ch enw ar gofrestr gosodwyr drysau cymwys.

Mae'r cwrs yn cwmpasu:

- Gosod fframiau a leininau drysau tân.
- Gosod seliau tân ar fframiau a drysau
- Nwyddau haearn a gosodiadau sy'n gysylltiedig â drysau tân.
- Cynnwys agoriadau a'r rheoliadau tân sy'n gysylltiedig â gosod gwydr ac effeithlonrwydd drysau tân -perfformio i'r safonau gofynnol.
- Rheoli drysau tân ar safle.

**Lleoliad: Coleg Afan
Hyd: Cwrs am 2
ddiwrnod
a gynhelir
drwy gydol
y flwyddyn**
